Life, Simplified.®

Your days are about coming and going. Sometimes planned. Sometimes entirely spontaneous. So it's reassuring to know you have everything you need, exactly where and when you need it. Whether you're walking out your front door or boarding your next flight, you can be confident that you're fully prepared—whatever the day may hold.

PHOTO & VIDEO

Case Logic's intelligently designed photo cases keep your camera—slim point and shoot, high-zoom, camcorder or fully accessorized SLR—protected and instantly accessible for every photo opportunity. Indoors or out, they're ready for the ride.

SL line

This tough and ready line of cases for cameras, SLRs and camcorders is designed for those serious about capturing life, events and vistas. With professional grade interiors and carefully configured organization, each ensures photo gear is protected and readily accessible anywhere the best shots await.

NOX by Case Logic

Designed for today's urban nomads, the enigmatic NOX line responds to what these users do and don't carry as they navigate the city from morning through evening. A mix of sophisticated black textures, these cases feature dedicated compartments for laptops and iPads®. An innovative collection of stretchy exterior pockets and cellular interior organization holds those contents that are added and subtracted throughout the day.

Shooting this Quick Response (QR) code with your smart phone camera accesses additional NOX information.
